CHAIRMAN'S REPORT

On behalf of the Board of Directors I am pleased to report that the financial year ending 31 October 2014 represented a significant improvement on the previous year's result. Looking at a number of key business metrics the Club's 2104 performance provides a great deal of encouragement for the future. The Club's staff and Board have worked closely together over the past year to deliver this result and are determined to provide further, incremental growth going forward.

Our proud history of supporting the Sea Eagles NRL team will continue through increased investment in the Manly Warringah Junior Rugby League. This support is aimed at developing the next era of local juniors to wear the maroon and white. Our on-going support for the wider community is also a core pillar of our business and we are pleased to announce that our donations and support of community groups grew year on year by over 58%.

As noted in the Financial Statements, the 2014 year Operating Profit of \$42,480 represented a \$621,671 turnaround when compared to 2013. This is a very pleasing result. Additionally, continued growth of new members was another strong indicator of the business recovery.

While it is true that there is cause for some mild celebration when reviewing the Club's financial performance in 2014, it is also true that our journey to long term financial success is far from over and, inevitably, will present further challenges. It is with this in mind that your Board of Directors continues to work proactively in positioning the Club, strategically, for future success.

To the Club's loyal staff, ably led by Chief Executive Officer, Craig Norman and his executive team, a sincere thank you for your efforts over the past twelve months. Our staff will always be our greatest asset as they are the business interface to our members and guests and as such influence our customer's experience and perception of the Club.

To my fellow Board members, who have all worked tirelessly on behalf of the club, my personal thanks and congratulations on a job well done. In particular, many thanks to Graham (Sandy) Houston, who stepped down from the Board during the past year. Sandy's contribution to our Club spans many years and many roles, dating back to the club's very first Board of Directors. Suffice to say that Sandy's work on behalf of the Club will never be forgotten.

Finally, on behalf of the Board, I would like to thank the members and guests for their continued support and patronage.

CHIEF EXECUTIVE OFFICER'S REPORT

Hello Members

The financial year 2013/2014 was again another year that provided the Club with continued financial challenge. The final result this year a loss of (\$229,282), this result substantially better than the loss declared 2012/2013 of (\$851,947). The Club has continued to build momentum and while there is a way to go, this year's result provides real confidence.

As communicated last year the Club Boards main focus over the last twelve months and ongoing aim for the coming year is financial stability. Many hours have been invested in changing the financial structure of the Club, this includes introducing better purchasing procedures and storage of stock, identifying staff efficiencies and providing a more convivial environment for our members and guests.

Our Community

The Club continued this year to support our community and it is a great delight to highlight that the Club has contributed some \$273,000 through Club grants to thoroughly deserving community based projects and local junior sporting groups. The continued support of our community a thoroughly rewarding commitment and one that the Club pledges to continue. Our position of support within our community remains one of our major focuses.

Our Members

The Club is only as strong as those who support it and to that end our members support strongly.

I am also happy to report that for the first time in a number of years our membership has grown; up some 5% or 682 members. This is a positive indicator that the Club is answering the needs of our membership.

I would like to thank the members of this Club that continue to support and patronise on a regular basis. Your support allows the Club the opportunity to continually provide wonderful promotions, great food and super beverage options!

Our People

I would like to publicly thank the staff of the Club for their efforts over the last twelve months; in fact I salute them all for their efforts. To the management team, I have placed a great deal of pressure on all the managers of the Club to ensure all areas within our Club are running as efficiently and profitably as possible, all of which have risen to the challenge – well done and thank you.

My thanks and appreciation is also extended to our Chairman, Ian Thomson and to all fellow Directors, who have again given me and all the staff of the Manly Leagues Club support, direction and encouragement over the year.

Our Future

Yes it's true, Penn Sport have entered into a contract to sell the Club building to a development group This group is buying the building not the Club; this is an important distinction as the building is not the Club, the Club simply resides within. The Club has not owned the building since 2009 so in essence nothing has changed. The Club has now and will after settlement for the sale of the building scheduled for March 2016 have a lease to these premises until 20 May 2019.

The Club Board is currently investigating future opportunities for the Club to survive and prosper. All available options are currently being investigated including the commencement of preliminary negotiations with the new owners of the building to ensure the Club has a footprint in any new developments.

Vale: I would like to remember our dear friends, relatives and members who have passed away in the last twelve months. May they rest in peace.

See you at the Club

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MANLY-WARRINGAH RUGBY
LEAGUE CLUB LIMITED ABN 85 000 193 251

REPORT ON THE FINANCIAL REPORT

We have audited the Financial Report of Manly-Warringah Rugby League Club Limited which comprises the balance sheet as at 31 October 2014, and the income statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes

DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL REPORT

The Company's Directors are responsible for the preparation and fair presentation of the report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

AUDIT RESPONSIBILITY

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors judgement including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Directors, as well as evaluating the overall presentation of the financial report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENCE

In conducting our audit we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, provided to the Directors of Manly-Warringah Rugby League Club Limited on 12 November 2012 would be in the same terms if provided to the Directors as at the date of this Auditors' Report.

AUDIT OPINION

In our opinion the financial report of Manly-Warringah Rugby League Club Limited is in accordance with the Corporations Act 2001, including

- i) giving a true and fair view of the Company's financial position as at 31 October 2014, and of its performance for the year ended on that date; and
- ii) complying with Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

The financial statements cover Manly-Warringah Rugby League Club Limited as an individual entity, incorporated and domiciled in Australia. Manly-Warringah Rugby League Club Limited is a company limited by guarantee.

NOTE 1. Summary of Significant Accounting Policies

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Standards Accounting Board and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement of fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Going Concern Status

The Directors recognise that the company has continuing trading losses and there may be an uncertainty as to the company's status as a going concern. The Directors are confident that the improved trading and cash flow position indicate that the company will be able to meet its liabilities on their due dates. These financial statements have been prepared on the basis that the company will be able to continue as a going concern.

The financial statements were authorised for issue on 16 February 2015 by the Directors of the company.

(a) Income Tax

Under present legislation and the concept of mutuality income derived by the company from members is not assessable to income tax. Income tax liabilities arise in respect of income derived from non members and investments less certain allowable deductions. The company has adopted the principle of tax effect accounting but in this financial year has written off the deferred tax asset due to its unlikely realisation.

(b) Inventory

Stock on hand is valued at the lower of cost and net realisable value. Costs are assigned to quantities on hand at balance date by the method most appropriate to each particular class of stock, with the major portion in value of stock on hand costed on a first-in first-out or specific identification basis.

(c) Investments

The Club holds 750 shares in Independent Liquor Group Ltd. They are shown at cost. There is no market value.

(d) Property, Plant & Equipment

Each class of property, plant & equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Property-Change in Accounting Policy

Freehold land and buildings are shown at their fair value. The car park site has been re-valued to the sale price specified in an option agreement with Penn Sport Pty Ltd of \$7,500,000. The Travelodge site at 4 Victor Road has been re-valued at \$1, due to the fact that the property is no longer income producing, is subject to a 50 year lease plus option and the Club will not be able to access or control the property until 2099.

Plant & Equipment

Plant & equipment are measured on the cost basis less depreciation and impairment losses. The carrying amount of plant & equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts. Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the income statement. Each year the difference between depreciation based on the re-valued carrying amount of the asset charged to the income statement and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

(e) Depreciation

The depreciable amount of all fixed assets including building & capitalised lease assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to the Club commencing from the time the asset is held ready for use. The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant & Equipment	5-27%
Leased Plant & Equipment	10-27%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When re-valued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(f) Impairment of Assets

At each reporting date the Club reviews the carrying values of its assets to determine whether there is an indication that those assets have been impaired. If such an indication exists, the recoverable amount of an asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement. Where it is not possible to estimate the recoverable amount of an individual asset, the Club estimates the recoverable amount of the cash generating unit to which the asset belongs.

(g) Critical Accounting Estimates and Judgements

The Directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data. The Club assesses impairment of assets at each reporting date by evaluating conditions specific to the Club that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations are performed in assessing recoverable amounts incorporating a number of key estimates. No impairment has been recognised in this financial year for any of the Club's assets. The current carrying values are estimated to be approximately the same as the assets' fair values. A value has been recognised for the Club's poker machine licences. The licences have been shown as a separate intangible asset at an independent fair value based conservatively on what they could be sold for.

(h) Lease of Premises

During the 2009 year the Club sold the property at 563 Pittwater Road and entered into a lease with Penn Sport Pty Limited for the ground floor and mezzanine level for a term of 5 years up to 26 May 2014 with an option to renew for a further period of up to 5 years. During 2012 this lease was extended until 26 May 2019.

(i) Revenue

Revenue is recognised on receipt or on the rendering of services. Members' subscriptions, which are paid in advance for periods subsequent to this financial year, are not brought to account as revenue in this financial year, but are shown in the balance sheet as subscriptions in advance – liability. Rent received in advance is shown as a liability and is brought to account as income over the period of the lease.

(j) Employee Entitlements

The amount expected to be paid to employees for their pro-rata entitlement for long service and annual leave are accrued annually at current pay rates having regard to experience of employee periods of service.

(k) Comparative Figures

Comparative figures, where necessary, have been reclassified in order to comply with the presentation adopted in the 2014 year.

(l) Limitation of Member's Liability

In accordance with Memorandum of Association the liability of members in the event of the Club being wound up would not exceed \$9 per member.

(m) Related Party Transactions

In the reporting period there was 0 occasions when a director reported a material personal interest in a matter that related to the affairs of the Club.

(n) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the balance sheet. Cash flows are included in the statement of cash flows on a net basis. The GST component of cash flows arising from investing and financing activities which are recoverable from or payable to, the ATO are classified as operating cash flows.
